

Chemistry Society of Thailand Awards 2017

Prof. Dr. Vinich Promarak

CST High Impact Chemist Award 2017

Vidyasirimedhi Institute of Science and Technology (VISTEC), THAILAND

Topic: *Molecular Tuning of Organic Dyes for Highly Efficient Dye-sensitized Solar Cell (DSSC)*

Dr. Kajornsak Faungnawakij

CST Citation Award 2017

National Nanotechnology Center (NANOTEC), THAILAND

Topic: *Nanocatalysts for Biofuels and Biochemicals*

Dr. Supawadee Namuangruk

Wiley-CST Award for Contribution to Green Chemistry 2017

National Nanotechnology Center (NANOTEC), THAILAND

Topic: *Design and Development of Nanomaterials for Sustainable Energy and Environmental Applications using Computational Techniques*

Dr. Siriwan Nantaphol

Merck-CST Distinguished Dissertation Award 2017

Chulalongkorn University, THAILAND

Topic: *Sensor Development Based on Boron Doped Diamond Electrodes*

Miss Suda Thanaphiboonkul

DOW-CST Award for Distinguished School Science Teacher 2017 : Lower Secondary Education

BansuanJananusorn School, Chonburi, THAILAND

Miss Nutthita Siritharamethikul

DOW-CST Award for Distinguished School Science Teacher 2017 : Upper Secondary Education

Triumudomsuksapattanakarn School, Bangkok, THAILAND

Dr. Sudkate Chaiyo

Metrohm-CST Young Chemist Award 2017

Chulalongkorn University, THAILAND

Topic: *Electrochemical Sensors for Chemical and Biochemical Analysis*

Asst. Prof. Dr. Chongdee Buranachai

Shimadzu-CST Young Chemist Award 2017

Prince of Songkla University, THAILAND

Topic: *Extraction Efficiency Improvement Strategies of Miniaturized Sample Preparation Techniques for Trace Organic Compounds Analysis*
